A large promotional banner with a chalkboard-style background. At the top, it says 'LET'S MAKE' in white, block letters. Below that is a green globe with a white banner across it that says 'Vermont' in a cursive font. Underneath the globe, it says 'a better' in a smaller cursive font, followed by 'place!' in a large, bold, white cursive font. To the right of the chalkboard area is a green ribbon-like shape containing a yellow button that says 'SIGN UP NOW' in black, bold letters. Below the button, there is a decorative flourish and the text 'Reduce Air Pollution. Win Prizes. Have Fun!' in a white cursive font.
