

ACKNOWLEDGEMENTS

This [Online Community Solar Toolbox](#) is an evolving collection of resources for individuals, schools, municipalities and other entities looking for solar solutions and guidance on how to help implement well-sited solar projects. The [Vermont Natural Resources Council](#) – the coordinator of [VECAN](#) – would like to say a sincere thank you to the following individuals, organizations and funders, as these resources would not be available without their help:

[The Vermont Community Foundation](#)

[The Harris and Frances Block Foundation](#)

[High Meadows Fund](#)

Anne Margolis and Andrew Perchlik, [Vermont Public Service Department](#)

Billy Coster, [Vermont Agency of Natural Resources](#)

Kevin Jones and the [Vermont Law School's Institute for Energy and the Environment](#)

[Roland Marx, Marcy Tanger and the Boardman Hill Solar Farm](#)

Jamison Ervin, [Waterbury LEAP](#)

Ethan B. McLaughlin, [Gravel & Shea PC](#)

Linda McGinnis, [Energy Action Network](#)

Jeff Forward, [Richmond Climate Action Committee](#)

Don Cummings and the [South Burlington Energy Committee](#)

Nate Hausman, [Clean Energy States Alliance](#)

Abigail Friedman, [Vermont League of Cities and Towns](#)

Caleb Elder, [AllEarth Renewables](#)

Kenneth Jones, [Vermont Agency of Commerce and Community Development](#)

Alex Depillis, [Vermont Agency of Agriculture](#)

Steve Webster, Underhill

Dennis Shaffer, [Vermont Land Trust](#)

Jamie Duggan, [Vermont State Historic Preservation Office](#)
